

Nature Story Time

October 2nd at 10:30am

Let's go for a hike! Join Gray Public Library, Windham Public Library, and Presumpscot Regional Land Trust for a nature story time exploring the East Windham Conservation Area. This walk is a true hike up a big hill; we'll stop along the way to read a book. At the top of the hill, we'll take a break and enjoy a great view of the world below—it'll feel like we're on top of the world!

This event is for families with kids ages 2-5; siblings are welcome. Children must attend with a parent or guardian. The walking portion will be around a half mile total, on a wooded path. The trail is steep; please bring a carrier. This event is free, but space is limited, and registration is required.

For more information or to register, please email gplyouth@graymaine.org or call 207-657-4110 x205
